This fee applies in addition to the applicable development application fee.

Dalby Town Council
Adopted Commercial and Regulatory Fees Register 2007/08
Effective 1 July 2007

KRA	Department	Commercial / Regulatory	Subject	Description	Fee 2007/08	GST Yes/No	Amount Payable	Statutory Reference	Note
KRA5	Community Services	Regulatory	Town Planning	Use not specifically identified in the Fee Schedule and/or unusual circumstances: Where an application involves a use not specifically provided for and the use or application could not reasonably be included in a category that is provided in the Schedule of Fees, the Director of Community Services shall assess the relevant fee. This fee is to be based on an estimated fee to cover the actual cost for Council to cover the assessment and determination of the application.	POA		POA	Integrated Planning Act 1997	
KRA5	Community Services	Regulatory	Town Planning	Re-submission of an Expired Approval: Where the currency period of an approval has expired and a development application is: (a) resubmitted within 6 months of the approval expiring, and (b) the proposal is generally in accordance with the former approved plans, and (c) there has been no change to the Planning Scheme provisions, the applicable fee will be 75% of the applicable current fee				Integrated Planning Act 1997	Council will not accept the re-submission of an expired approval more than once.
KRA5	Community Services	Regulatory	Town Planning	Re-submission of a Lapsed Application: Where a development application has lapsed and a new development application is: (a) resubmitted within 6 months of the application lapsing, and (b) the proposal is generally in accordance with the former proposal, and (c) there has been no change to the Planning Scheme provisions, the applicable fee will be 75% of the applicable current fee.				Integrated Planning Act 1997	Council will not accept the re-submission of a lapsed application more than once.
KRA5	Community Services	Regulatory	Town Planning	Applications involving Implied Material Change of Use of Premises: Any application for development which pursuant to Section 3.2.2 of the Integrated Planning Act implies that the application is to be taken as an application for a Material Change of Use of premises must pay, in addition to the fee for the application, the fee for the Material Change of Use of the premises				Section 3.2.2 Integrated Planning Act 1997	
KRA5	Community Services	Regulatory	Town Planning	Preliminary Approval Over-riding the Planning Scheme: Any application made under Section 3.1.6 of the Integrated Planning Act is subject to a fee of 125% of the applicable fee. A Development Permit sought for development on land where the proposed development is in accordance with preliminary approval over-riding the planning scheme is subject to 75% of the applicable current fee				Section 3.1.6 Integrated Planning Act 1997	
KRA5	Community Services	Regulatory	Town Planning	Preliminary Approval: Any application made for a preliminary approval defined in accordance with Section 3.1.5 of the Integrated Planning Act is subject to the full amount of the applicable fee. A Development Permit sought for development on land where the proposed development is in accordance with preliminary approval, is subject to 80% of the applicable current fee				Section 3.1.5 Integrated Planning Act 1997
