DALBY TOWN COUNCIL

24 March, 2005

CHANGES TO CURRENT WATER RESTRICTIONS

Due to the continuing drought conditions and falling levels of supply at Loudoun Weir, Dalby Town Council at its meeting on Tuesday 22nd March, 2005 resolved to implement further watering restrictions, applicable to all Town of Dalby and Wambo Shire residents connected to the Dalby Water Supply.

The new increased restriction on watering will come into effect from 12 midnight on Wednesday 30th March, 2005 and shall apply as follows:-

- (a) a total ban on sprinklers and hosing on Monday of each week;
- (b) (i) properties with an even numbered street address shall be permitted to use HAND HELD hoses and dripper systems ONLY BETWEEN THE HOURS OF 5pm & 7pm on Tuesday, Thursday and Saturday of each week. NO sprinklers permitted. TOTAL WATERING BAN ALL OTHER TIMES;

(ii) properties with an odd numbered street address, sporting and recreational clubs and properties with no number shall be permitted to use HAND HELD hoses and dripper systems ONLY between the hours of 5pm & 7pm on Wednesday, Friday and Sunday of each week. NO sprinklers permitted. TOTAL WATERING BAN ALL OTHER TIMES;
- (c) the water restrictions shall apply to all lands within the Town area and other areas connected to Dalby Town Council Water Supply.

All residents connected to the Dalby Town Council Water Supply are advised that authorised Council officers will be monitoring adherence to the programme and all residents are requested to abide by the restrictions, as failure to do so will incur a fine.

The following watering days apply for Dalby residents:
